Report of the traffic to the translated "Japanese" Axis site

Version 1.0

Nov 4th, 2004

Toshi <toshi@apache.org>
Apache Axis Committer

- **What is the Axis Japanese site?**

It's an unofficial translation, which is contributed by toshi@apache.org, of Apache Axis website [1]. You can see it there [2], and it has also been linked from the original site as “Japanese (Unofficial) translation” menu.
